

# Northeast Flat-Coated Retriever Club

## End of Summer Fun Day

September 10, 2017

9 am – 3 pm

(Rain or shine)

Thompson Rod and Gun Club  
93 Brandyhill Rd  
Thompson, CT 06277

Bring your friends, family, and of course your furry friends (**sorry, no bitches in season, please**) for a day of socialization and relaxed play. The green fields and ponds will be great invitations to Flat-Coat and family fun. Sit, relax and catch up with friends, or join in some of the following activities:

Neal Goodwin will be dividing us into teams to play "**NAME THAT TUNE**"

Sally Bridges will be hosting a **Scurry** to determine the Fastest FCR in the Northeast!

Nancy Triou, a CGC Evaluator, and will be offering to test dogs for the new **AKC Trick Dog Novice Title**. Can your dog speak on cue, fetch the paper, or shake hands? Those are just some of the tricks that your dog may already know. The Novice title allows you to use treats and toys to lure your dog to do these tricks. You can find a list of tricks for the Novice title on the **AKC website**. Please bring any props you may need. Feel free to email Nancy (**ntriou@snet.net**) with any questions about this fun new title!

There will be a nominal fee for the trick title testing.

A "Creative Potluck" will be the fare for the day. Our potlucks are famous and fabulous. Please bring a dish to share! Water and iced tea will be provided.

**Alcoholic beverages are not permitted on the grounds.**

**RSVP to Sally Young: sally.young@uvm.edu or PO Box 1, Cabot, VT 05647 so that we can get an approximate head count for the day.**
